

Curricula Vita

- Name:** Geng-Long Hsu M.D. www.glhsu.org
- Address:** 7th Fl., No. 170, Chih-Shan Road Sec 2. Shih-Lin Dt. 111,
Taipei, Taiwan
- Telephone:** 886-2-87526087
- Telefax:** 886-2-87975207
- E-mail:** genglonghsu@gmail.com; glhsu@ha.mc.ntu.edu.tw
- Education:**
1. Department of Industrial Management
National Cheng-Kung University
September 1973—June 1978
 2. Department of Medicine
National Taiwan University
September 1978—June 1985
 3. Urological Department
Postdoctoral Research Fellow
University of California, San Francisco
June 1991—April 1992
- Experience:**
1. Mechanical Specialty:
 - 1). Mechanic and Lecturer in Aircraft Repair,
Chinese Army Aviation
March 1971—March 1977
 - 2). Head in Department of Quality Control: I-Teh
Lock Corporation
April 1977—July 1977
 2. Medical Profession:
 - 1). Internship:
National Taiwan University Hospital,
Taipei, Taiwan
June 1984—June 1985
 - 2). Residency:
Urological Department
National Taiwan University Hospital
Taipei, Taiwan
July 1985—July 1989
 - 3). Visiting Urologist

- Min-Shen General Hospital, Taipei, Taiwan
June 1989—May 1991
- 4). Postdoctoral Research Fellowship
Urological Department of UCSF, USA
June 1991—May 1992
- 5). Lecturer
Department of Urology
Taipei Medical University, Taipei Medical College,
July 1992—July 1997, February 2002~ July 2008
- 6). Lecturer
Department of Anatomy and Cell Biology,
National Taiwan University Medical College,
July 1992—July 1998.
- 7). Chief of Urology Department
Taiwan Adventist Hospital, Taipei, Taiwan
February 1993—May 1997
- 8). Vice superintendent
Po-Jen General Hospital, Taipei, Taiwan
September 1997—September 2002
- 9). Chief of Microsurgical Potency Reconstruction &
Research Center
Taipei Medical University Hospital, Taipei, Taiwan
October 2002—December 2003
- 10). Owner
Hsu's Andrology (Microsurgical Potency Reconstruction
and Research Center)
January 2004—May 2006
- 11). President of "Geng-Long Hsu Foundation for
Microsurgical Potency Research" California, USA.
October 2006---July 2008
- 12). Clinical Professor and Director, Microsurgical Potency
Reconstruction and research Center, China Medical
University Hospital, Taichung, Taiwan
December 2008 – February 2011
- 13). Owner of Hsu's Andrology.

Feb. 18 2011-

14). National Taiwan University College of Medicine,
Assistant Professor, Minimally invasive training Center
Taipei, Taiwan.

July 2012~July 2014

15). Reconstructive surgeon in Taipei City Hospital Heping
Fuyon Branch, April 2016~

- Prize Award:**
1. Jean-Paul Ginestie Prize & Herbert Newman Prize (null was cited)
V WORLD MEETING on IMPORTENCE 1992 Milano, ITALY.
 2. ASA (American Society of Andrology) Lalor International Travel
Award, 2005 Seattle, USA
 3. Award for basic research of Taiwan Andrology Association, Taipei,
Taiwan 2005.
 4. Award for clinical application of Taiwan Andrology Association,
Taipei, Taiwan 2007.
 5. Second prize in the 3rd World Congress on Controversies in
Urology (CURy) Athens, Greece, 2010.
 6. Best poster prize, the 18th annual meeting (2012) and 34th general
scientific meeting, Taiwan Urological Association, Taipei,
Taiwan.
 7. Second prize of Video urology, the 18th annual meeting (2012) and
34th general scientific meeting, Taiwan Urological Association,
Taipei, Taiwan.

Patents

1. Penile development correction device (US 7,896,799 B2)
2. A Mode of Penile development correction device (P. R. C. ZL 2008 1
0001443.7)
3. Physiological Approach to Penile Venous Stripping Surgical Procedure for
Patients with Erectile Dysfunction (Patent No: US 8,240,313 B2).
<http://www.google.com/patents/US20110271966>
4. 一種陰莖發育矯正器(專利號:ZL. 2008 1 0001443. 7)
5. 壓陰莖靜脈促勃器(專利號:ZL. 2014 2 0554573. 4)

Referred Paper:
